4. **Observations and Decisions of the Committee:** - The Committee gave directions related to verification process of applications, completion of documents and communication with concerned DDOs, from time to time. Finally, the Committee for Compassionate Appointment held a meeting on 10.03.2025 at 11:30 AM for considering applications for appointment on compassionate grounds for R.Y. 2023. There is total 98 applications/cases pending before the Committee. In the various meetings, the Committee discussed the guidelines/O.Ms. for appointment on Compassionate Grounds issued by DoPT/CBDT from time to time and observed the cases for Appointment on Compassionate Grounds for R.Y. 2023. Further, the committee observed that a number of applicants are not declaring the interest income received from bank on deposit/saving accounts which is part of annual income of the family. Accordingly, the committee has unanimously decided to call for to call for the bank statements for year 2023 from applicants as well as ITR/AIS reports for F.Y. 2022-23 from Investigation Wing of all the major members of the family and the points to be decided accordingly.

**A. Object of the scheme:** - The Committee has taken into consideration that the object of the Scheme is to grant appointment on compassionate grounds to a dependent family member of a Government Servant dying in harness or who is retired on medical grounds, thereby leaving his family in penury and without any means of livelihood, to relieve the family of the Government Servant concerned from financial destitution and to help it get over the emergency.

**B. CUT OFF Date of application:** - The Committee has unanimously decided that the cutoff date for the application will be the date of reporting of the vacancy by the O/o Pr. CCIT, Delhi for the R.Y. 2023 which has been intimated vide letter F. No. Pr. CCIT/HQ-Pers./Compassionate Vacancies/2024-25/2753 dated 17.05.2024. Thus, the cutoff date for receipt of application is 17.05.2024. However, in any case the death of demise of the employee must be on or before 31.12.2023. It has also been unanimously decided that the cases which have been recommended for any post by the earlier committee for the appointment for any previous R.Y. and the same applicant has filed an application for the change of the post, such cases will be considered for the R.Y. in which the revised application has been received irrespective of the date of death. However, it has been decided that in cases where a revised application is received from a new family member due to the reason that the earlier applicant of the family member has died/become physically unfit to join as a Government Servant, the original date of application shall be treated as the date, i.e. the date when the first application has been received in the department.

- C. Filing of Annexure-A:** - The Committee has unanimously decided that the filing of fresh Annexure-A for a R.Y. is a mandatory criteria for consideration of an application for the said R.Y. owing to the fact that all the current details of income, family liability, fresh pension status etc is being submitted by the applicant in fresh Annexure-A only which affects the grading of an applicant. In such cases where fresh Annexure-A has not been received, the said applications have not been considered for R.Y. 2023.
- D.** The Committee has also considered the relevant para for consideration of belated requests in 'Scheme for Compassionate Appointment' which states as under: -

*".....the concept of compassionate appointment is largely related to the need for immediate assistance to the family of the Government servant in order to relieve it from economic distress. The very fact that the family has been able to manage somehow all these years should normally be taken as adequate proof that the family had some dependable means of subsistence."*

In view of the above, the Committee has unanimously decided that in case equal grading points are awarded to two or more applicants, preference shall be given to the applicant whose family member (i.e. deceased Government Servant) died later than other(s).

- E. Relaxation in Educational Qualification:** - The Committee has duly considered the case for compassionate appointment as per the guidelines/ circulars/ O. Ms. issued by DoPT/CBDT from time to time. In this regard, FAQ No. 36 of DOPT's O.M. dated 30.05.2013 states as under: -

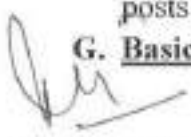

*"the widow who does fulfil educational requirement of a post is considered for compassionate appointment, she can be appointed only against a multi-tasking staff post provided the appointing authority, is satisfied that she can satisfactorily perform duties of the post with the help of some on job training."*

- F. Age relaxation:** - Further, FAQs No. 6 & 9 of DOPT's O.M. dated 30.05.2013 states as under: -

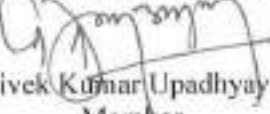

*"FAQ No.:- 6:-The upper age limit can be relaxed wherever found to be necessary.*  
*FAQ No.9:-The authority competent to take a final decision for making compassionate appointment in a case is the competent authority to grant relaxation of upper age limit."*

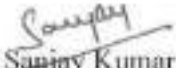

The committee unanimously decided to give relaxation in upper age limit for all the posts in all such cases where it was required.

I. **Amount to be considered while deciding grading points with regard to basic family pension or monthly amount received under NPS in the grading Sheet:** - The Committee has observed that in many cases, the basic family pension is not ascertainable as only net amount of pension is mentioned in the bank statement / passbook. Therefore, in order to maintain uniformity while preparing grading sheets, the Committee has unanimously decided that net pension for the month of Dec. 2023 shall be taken into consideration while awarding grading points with regard to basic family pension or monthly amount received under NPS, for R.Y. 2023.

II. **Where either the family pension was granted but discontinued before December 2023 or the family pension could not be granted to any family member, owing to the fact that the family members were /became ineligible as per relevant Pension Rules (i.e. Son acquired age of 25 years/ daughter got married / spouse died etc):** -

Considering above and to maintain uniformity, the Committee has unanimously decided that in cases where the family pension could not be granted to any family member, owing to the fact that no family member(s) were found eligible as per relevant pension Rules (i.e. Son acquired age of 25 years/ daughter got married/ spouse died etc.), 'zero' grading point shall be awarded in such cases. Also, if the pension is discontinued before 31st December 2023, zero grading points shall be awarded in such cases. This is in line with existing DoPT/CBDT policies as well as low vulnerability of such Candidates.

**H. Terminal Benefits cases:** -

(I) **Where the terminal benefits (i.e. - Lump sum amount received by the family on death of Govt. Servant (i.e. DCR/Gratuity, GPF/PPF A/c balance, Leave Encashment, CGEIs, LIC/PLI etc.)/ Lump Sum amount received under NPS etc.) have been received by the family of the deceased:-** In such cases, the Committee has decided that the actual terminal benefits received/receivable (as reported by concerned DDOs or deputed Inspectors) shall be considered for awarding the points with regard to terminal benefits for R.Y. 2023.

**I. Valuation of Movable / Immovable Property**

**terminal benefits:** -The Committee observed that Proforma-A submitted by concerned DDOs is old in many cases. The immovable property return (IPR) filed by the deceased Government employee have been procured from concerned section and the same shall be considered by the Committee. Further, the latest value of property (Movable/Immovable) has been reported by the deputed Inspectors after seeing the documents on record and through local enquiries/circle rates of such properties for ascertaining fair market value. Further, where the applicant has made any claim of having equal shares in the ancestral property, the copy of Aadhar Cards of all the members having share in the property have also been procured to bring the uniformity in the applicant's case. Further, the Committee has unanimously decided that the value of movable / immovable property of the family (latest value) including FDs, Bank Balance etc. but excluding the lump sum amount received as terminal benefits, shall be taken as the value reported by deputed Inspectors and other documents available on record, for awarding the grades for R.Y. 2023.

(ii) **Where the movable/immovable property of the family has been taken on loan (home loan/personal loan etc.)** -The Committee has considered such cases and have found that such applicants own some property while there are other cases who doesn't own any property. The Committee has unanimously decided that in such cases the points will be awarded on case-to-case basis, where the property has been purchased with a loan and documentary evidence of the same has been provided by the applicant (as provided by the applicant to the welfare section or to the deputed Inspectors). The value of the property, as decided by the Committee on case-to-case basis, shall be taken into consideration for awarding the grades for R.Y. 2023.

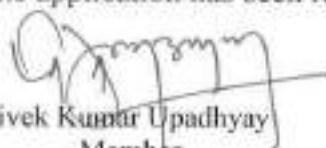

(iii) **Where property is disposed off by the family of the deceased after the death of deceased and the funds are utilized in acquiring any other property (movable/immovable):-** The Committee has unanimously decided that in such cases where the applicant acclaims that such consideration received by the family of the deceased (from sale of any movable/immovable property) is utilized in purchasing/acquiring any other movable /immovable property and the same has already been disclosed by the applicant shall be decided on case to case basis.
