20. The Committee has taken into consideration that the object of the Scheme is to grant appointment on compassionate grounds to a dependent family member of a Government Servant dying in harness or who is retired on medical grounds, thereby leaving his family in penury and without any means of livelihood, to relieve the family of the Government Servant concerned from financial destitution and to help it get over the emergency.

21. The Committee has also considered the relevant para for consideration of belated requests in 'Scheme for Compassionate Appointment' which states as under:-

".....the concept of compassionate appointment is largely related to the need for immediate assistance to the family of the Government servant in order to relieve it from economic distress. The very fact that the family has been able to manage somehow all these years should normally be taken as adequate proof that the family had some dependable means of subsistence."

22. In view of the above, the Committee has unanimously decided that in case equal grading points are awarded to two or more applicants, preference shall be given to the applicant whose family member (i.e. deceased Government Servant) died later than other(s).

23. Therefore, keeping in view the vacancies reported (i.e. 02 vacancies) for the post of MTS for R.Y. 2021 by O/o the Pr. CCIT, Delhi vis-a-vis grading points scored by the eligible applicants,
